- You are investing in a sub-fund of the PineBridge Global Funds (the "Fund"). The Fund is constituted as a unit trust and is domiciled in Ireland. Its home regulator is the Central Bank of Ireland.
- Dividends may be declared at the Manager's discretion and this may reduce the Sub-Fund's NAV. Dividend paid out of capital amounts to a return of all or part of your original investment.

Refer to the "Structure of the Fund" section of the Singapore Prospectus for further information on features of the product.

Investment Strategy

- The Sub-Fund seeks to achieve a high rate of return by making equity and equity-related investments in small companies, whose assets, products or operations are in Europe.
- The Sub-Fund will invest not less than two-thirds of the Sub-Fund's total assets in small companies whose assets, products or operations are in Europe and who (subject to some flexibility) have a market capitalisation at the time of the acquisition of less than Euro 2 billion.
- Subject to restrictions, it may invest up to 20% of its NAV in locally listed Russian shares.
